YUROK TRIBAL FISHING RIGHTS ORDINANCE**

NUMBER: 2014-04

EFFECTIVE DATE: September 4, 2014

SUBJECT: Brief re-opening of Commercial Fishery

The Commercial Fishery on the Yurok Reservation will open briefly on Sunday, September 7, 2014 from 10:00 a.m. to midnight, with the expectation of not harvesting more than 1,500 fish. Dependent upon effort and harvest levels, the fishery may close prior to midnight or be extended for the same hours on Monday. The commercial fishery will be governed by the *Yurok Tribe 2014 Fall Harvest Management Plan*. There may be buyers at Requa, however this is not a guarantee. If there are not buyers at Requa, all commercial fish must be sold through the "Find Your Own Market" process, as described in the *Yurok Tribe 2014 Fall Harvest Management Plan*.
