It is noted that the decedent was a plaintiff in the class action, Jessie Short, et al -v- the United States of America, (Declaration # 396) and it has been determined that such interests will be probated through the Federal forum pursuant to 43 CFR Part 4, Subpart D.

By agreement with the Bureau of Indian Affairs, the law firm of Faulkner, Sheehan & Wunsch, 351 California Street, San Francisco, is making distribution of the Jessie Short funds. This firm has advised this forum that no distribution of such funds in this estate should be expected before at least 120 days from the date of this Order.

No claims were filed against the estate.

Further, this forum admitted into evidence fifteen pages of police investigative reports from Del Norte County Sheriff Department made at the time of and shortly thereafter the report of the boating accident causing his death. Testimony from his mother establishing his death was also taken.

It is noted that the decedent was a plaintiff in the class action, Jessie Short, et al -v- the United States of America, (Declaration # 636) and it has been determined that such interests will be probated through the Federal forum pursuant to 43 CFR Part 4, Subpart D.

The judgments of deceased Jesse Short plaintiffs are distributed to heirs by checks issued by Citibank on trust account under the control of the U.S. Court of Federal Claims (the Court) that awarded the judgments. No check can be issued by Citibank until it has received from the Court an order specifically authorizing that distribution.

For the assistance of the Court, the law firm of Faulkner, Sheehan & Wunsch, 351 California Street, San Francisco, CA 94104, prepares Distribution Schedules showing the calculation of the amount due each heir and the heir's Social Security number and confirmed current address. To facilitate the preparation of these Schedules, each heir identified in this Probate Order should send a letter to this law firm stating birthdate, Social Security number, telephone number and the address where the heir will be available to provide proof of identity to receive a check sent by restricted certified mail.

These distribution schedules are not prepared until after the expiration of the 60-day period to file a petition for rehearing of this Order. Before the schedules are considered by the Court, they must be approved by the Government's Indian Trust Accounting Division and the Department of Justice. Consequently, sometimes it may be as long as eight months after the date of this order, assuming no petition for rehearing is filed, before the checks are mailed by Citibank to the heirs.

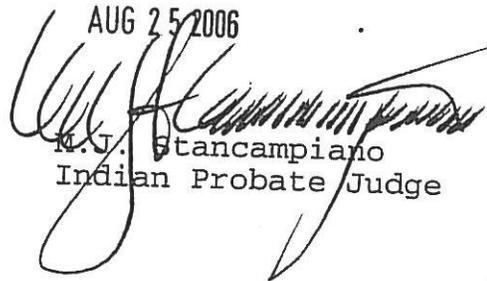

No claims were filed against the estate.

ORDER

NOW, THEREFORE, By virtue of the power and authority vested in the Secretary of the Interior under section 1 of the Act of June 25, 1910, as amended, 25 U.S.C. 372, and other applicable statutes, and pursuant to 43 CFR Part 4, and the findings and conclusions herein, it is hereby ordered that the Superintendent or other officer in charge distribute the estate to the decedent's heirs named in the findings.

This decision is final for the Department unless a petition for rehearing is timely filed in accordance with 43 CFR 4.241 within 60 days from the date hereof as set forth in the notice attached hereto.

IN THE MATTER OF THE ESTATE OF) PROBATE IP SA 217 N 03

WALTER GEORGE HUFFORD) ORDER
) DETERMINING HEIRS
)
DECEASED YUROK INDIAN)
562N1731) BIA NO. PC-562-0030

On February 3, 2004 and May 13, 2004, hearings were held at Eureka, California, to determine the heirs and settle the estate of Walter George Hufford, a deceased Yurok Indian.

The following findings and conclusions are based upon the evidence adduced:

The decedent, who was a resident of the State of California, died intestate at Eureka, California, on January 14, 1972.

At death the decedent was possessed of that trust or restricted property, real and personal, shown on the inventory attached and other reporting documents, and the decedent was survived by certain persons whose respective names, relationships, birth dates, and interests in the estate under California Probate Code App. Section 225 (West's 1985) (Stats. 1931, c. 281 §225), are as follows:

Estate of Josephine Hufford Gallion	Sister	Yurok	1/4
B: [REDACTED] 1890 (subsequently deceased [REDACTED] 79)		Unalloted	
Estate of Ida E. Hufford Francis	Sister	562N210	1/4
B: [REDACTED] 1893 (subsequently deceased [REDACTED] 81)			
Estate of Elmer Hufford	Brother	562N1728	1/4
B: [REDACTED] 1908 (subsequently deceased [REDACTED] 76)			
Estate of Eric John Hufford	Nephew	Yurok	1/4
B: [REDACTED] 56 (subsequently deceased [REDACTED] 75)		Unalloted	

The above-named nephew is the son of Leslie F. Hufford, a predeceased brother of the decedent.

It is noted that the decedent was a plaintiff in the class action, Jessie Short, et al -v- the United States of America, (Declaration No. 1207) and it has been determined that such interests will be probated through the Federal forum pursuant to 43 CFR Part 4, Subpart D.

The judgments of deceased Jesse Short plaintiffs are distributed to heirs by checks issued by Citibank on trust account under the control of the U.S. Court of Federal Claims (the Court) that awarded the judgments. No check can be issued by Citibank until it has received from the Court an order specifically authorizing that distribution.

For the assistance of the Court, the law firm of Faulkner, Sheehan & Wunsch, 351 California Street, San Francisco, CA 94104, prepares Distribution Schedules showing the calculation of the amount due each heir and the heir's Social Security number and confirmed current address. To facilitate the preparation of these Schedules, each heir identified in this Probate Order should send a letter to this law firm stating birthdate, Social Security number, telephone number and the address where the heir will be available to provide proof of identity to receive a check sent by restricted certified mail.

These distribution schedules are not prepared until after the expiration of the 60-day period to file a petition for rehearing of this Order. Before the schedules are considered by the Court, they must be approved by the Government's Indian Trust Accounting Division and the Department of Justice. Consequently, sometimes it may be as long as eight months after the date of this order, assuming no petition for rehearing is filed, before the checks are mailed by Citibank to the heirs.

No claims were filed against the estate.

ORDER

NOW, THEREFORE, By virtue of the power and authority vested in the Secretary of the Interior under section 1 of the Act of June 25, 1910, as amended, 25 U.S.C. 372, and other applicable statutes, and pursuant to 43 CFR Part 4, and the findings and conclusions

herein, it is hereby ordered that the Superintendent or other officer in charge distribute the estate to the decedent's heirs named in the findings.

This decision is final for the Department unless a petition for rehearing is timely filed in accordance with 43 CFR 4.241 within 60 days from the date hereof as set forth in the notice attached hereto.

IN THE MATTER OF THE ESTATE OF) PROBATE IP SA-192-N-03
IDA E. HUFFORD FRANCIS)
DECEASED YUOK INDIAN) ORDER APPROVING WILL AND
562N210/562J210) DECREE OF DISTRIBUTION
) BIA No. PC-562-0028

On February 3, 2004, a hearing was held at Eureka, California, and on May 13, 2004, a hearing was held at Spokane Washington, to determine the validity of the last will and testament of Ida E. Hufford Francis, dated June 10, 1977, and to settle her estate.

The following findings and conclusions are based upon the evidence adduced:

Ida E. Hufford Francis, who was a resident of the State of California, died on February 13, 1981, at Eureka, California. Had there been no will, her heirs at law and the respective shares taken by each, determined in accordance with Calif. Prob. Code § 6402(c), would be:

Estate of Charles Gallion B: [REDACTED] 1915 (subsequently deceased [REDACTED] 1992)	Nephew	Hoopa, Karuk	4/12
Joseph Hufford B: [REDACTED] 1946	Nephew	562U001729	4/12
Walter Hufford B: [REDACTED] 1938	Grandnephew	Yurok, Karuk, Chimariko	1/12
Marylou Finnerud B: [REDACTED] 1940	Grandniece	Yurok, Karuk Chimariko	1/12
Pattijo McCrony B: [REDACTED] 1949	Grandniece	Yurok, Karuk Chimariko	1/12
Barbara Hufford B: [REDACTED] 1952	Grandniece	Yurok, Karuk Chimariko	1/12

The above-named grandnephew and grandnieces are the children of Floyd Hufford, a predeceased son of Floyd Hufford, a predeceased brother of the decedent.

The evidence establishes that the will was properly made and executed and that Ida E. Hufford Francis possessed testamentary capacity and was free of undue influence. There were no objections to the will at the hearing. Accordingly, the will should be approved.

In the paragraph labeled "THIRD" in the will, the decedent describes certain real and personal property which is bequeathed to "Joe E. Hufford." This forum has determined, however, that this described property does not constitute trust property under this forum's jurisdiction. Therefore, the decedent's trust property passes in accordance with the residuary clause of the will, which leaves the "residue" of the decedent's estate to her heirs at law. Thus, although the will is approved, the property passes to the decedent's heirs in the same manner as it would if there had been no will.

A certified copy of the last will and testament filed in this estate is substituted for the original will for Federal probate purposes.

It is noted that the decedent was a plaintiff in the class action, Jessie Short, et al -v- the United States of America, (Declaration # 776) and it has been determined that such interests will be probated through the Federal forum pursuant to 43 CFR Part 4, Subpart D.

The judgments of deceased Jesse Short plaintiffs are distributed to heirs by checks issued by Citibank on trust account under the control of the U.S. Court of Federal Claims (the Court) that awarded the judgments. No check can be issued by Citibank until it has received from the Court an order specifically authorizing that distribution.

For the assistance of the Court, the law firm of Faulkner, Sheehan & Wunsch, 351 California Street, San Francisco, CA 94104, prepares Distribution Schedules showing the calculation of the amount due each heir and the heir's Social Security number and confirmed current address. To facilitate the preparation of these Schedules, each heir identified in this Probate Order should send a letter to this law firm stating birthdate, Social Security

number, telephone number and the address where the heir will be available to provide proof of identity to receive a check sent by restricted certified mail.

These distribution schedules are not prepared until after the expiration of the 60-day period to file a petition for rehearing of this Order. Before the schedules are considered by the Court, they must be approved by the Government's Indian Trust Accounting Division and the Department of Justice. Consequently, sometimes it may be as long as eight months after the date of this order, assuming no petition for rehearing is filed, before the checks are mailed by Citibank to the heirs.

No claims were filed against the estate.

ORDER

NOW, THEREFORE, By virtue of the power and authority vested in the Secretary of the Interior by section 2 of the Act of June 25, 1910, 25 U.S.C. 373, and other applicable statutes, and pursuant to 43 CFR Part 4 and the findings and conclusions herein, it is hereby ordered that the last will and testament of Ida E. Hufford Francis, dated June 10, 1977 be, and same is approved. The Superintendent or other officer in charge shall cause a distribution to be made of the trust estate of the testatrix in accordance with the said last will and testament, as follows:

TO:

Estate of Charles Gallion	Nephew	Hoopa, Karuk	4/12
Joseph Hufford	Nephew	562U001729	4/12
Walter Hufford	Grandnephew	Yurok, Karuk, Chimariko	1/12
Marylou Finnerud	Grandniece	Yurok, Karuk Chimariko	1/12
Pattijo McCrony	Grandniece	Yurok, Karuk Chimariko	1/12
Barbara Hufford	Grandniece	Yurok, Karuk Chimariko	1/12

After due notice, a hearing was held at San Diego, California, on July 26, 2006, to determine the validity of the last will and testament of Charles Montgomery Gallion, dated January 14, 1980, and to settle his estate. No one appeared at the hearing. This forum has therefore based this Order Approving Will and Decree of Distribution on the probate data shown on the Data for Heirship Finding and Family History (OHA-7) form, which data was certified as complete and correct by the Pacific Regional Office, Bureau of Indian Affairs, on November 4, 2005. This Order is also based on information reflected on the decedent's death certificate. Finally, this Order is based on the original will in the record. Copies of the will were provided as an attachment to the Notice of Hearing, mailed on June 21, 2006.

On March 7, 2007, the undersigned issued an Order to Show Cause, setting forth the undersigned's intention to direct distribution of the decedent's Indian trust estate in accordance with the decedent's will. The Order to Show Cause further directed any party who objected to such a distribution to show cause, within thirty days of the date of the Order, why such a distribution should not be made. The thirty day period expired on Friday, April 6, 2007. No responses to the Order to Show Cause have been received by this forum.

NOW, THEREFORE, By virtue of the power and authority vested in the Secretary of the Interior under section 1 of the Act of June 25, 1910, as amended, 25 U.S.C. 372, and other applicable statutes, and pursuant to 43 CFR Part 4, and the findings and conclusions herein, it is hereby ordered that the Superintendent or other officer in charge distribute the estate to the decedent's heirs named in the findings.

Although the Superintendent of the Northern California Agency, Bureau of Indian Affairs, is to distribute any trust or restricted real or personal property the decedent may have possessed, the law firm of Heller, Ehrman, White & McAuliffe, through arrangement with the Bureau of Indian Affairs, is making distribution of the decedent's share of the Jessie Short Fund pursuant to this Order. Such distribution shall be made only after full payment of the approved claim of Clovis Ragain.

This decision is final for the Department unless a petition for rehearing is timely filed in accordance with 43 CFR 4.241 within 60 days from the date hereof as set forth in the notice attached hereto.

PROBATE No. P-00000-8074-IP
 ORDER TO SHOW CAUSE;
 ORDER DETERMINING HEIRS

ORDER TO SHOW CAUSE

To the extent any of the parties whose names appear on the notice accompanying this Order disagree with the findings in the following Order Determining Heirs, they are hereby ordered to show cause, in writing, why the following Order should not have been issued in this estate. Such show cause must be filed within sixty days of the date of this Order.

ORDER DETERMINING HEIRS

After due notice, a hearing was held in San Francisco, California, on November 16, 2006, to determine the heirs and settle the Indian trust estate of Mary Ruggiero, a deceased Yurok Indian. No one appeared at the hearing. This forum has therefore based this Order Determining Heirs on the probate data shown on the Data for Heirship Finding and Family History (OHA-7) form, which data was certified as complete and correct by the Pacific Regional Office, Bureau of Indian Affairs, on August 4, 2006. This Order is also based on information from the copy of the decedent's death certificate in the record.

The following findings and conclusions are based upon the evidence adduced:

The decedent, who was a resident of the State of California, died intestate at Daly City, California, on July 18, 1997.

At death, the decedent was survived by certain persons whose respective names, relationships, birth dates, and interests in the estate under Calif. Prob. Code § 6402(a), are as follows:

Mary Ruggiero
 B: [REDACTED] 1927

Daughter

562N003351

1/2

Estate of Gloria Peters Daughter 562N002399
 B: [REDACTED] 1932 (subsequently deceased [REDACTED] 1999)

1/2

It is noted that the decedent was a plaintiff in the class action, Jessie Short, et al -v- the United States of America, (Declaration # 2618) and it has been determined that such interests will be probated through the Federal forum pursuant to 43 CFR Part 4, Subpart D.

The judgments of deceased Jesse Short plaintiffs are distributed to heirs by checks issued by Citibank on trust account under the control of the U.S. Court of Federal Claims (the Court) that awarded the judgments. No check can be issued by Citibank until it has received from the Court an order specifically authorizing that distribution.

For the assistance of the Court, the law firm of Faulkner, Sheehan & Wunsch, 351 California Street, San Francisco, CA 94104, prepares Distribution Schedules showing the calculation of the amount due each heir and the heir's Social Security number and confirmed current address. To facilitate the preparation of these Schedules, each heir identified in this Probate Order should send a letter to this law firm stating his or her birthdate, Social Security number, telephone number and the address where the heir will be available to provide proof of identity to receive a check sent by restricted certified mail.

These distribution schedules are not prepared until after the expiration of the 60-day period to file a petition for rehearing of this Order. Before the schedules are considered by the Court, they must be approved by the Government's Indian Trust Accounting Division and the Department of Justice. Consequently, sometimes it may be as long as eight months after the date of this order, assuming no petition for rehearing is filed, before the checks are mailed by Citibank to the heirs.

As set forth above, one of the decedent's heirs, Gloria Peters, died after the decedent, and her share will go to her estate. The share of funds going to Gloria Peters's estate cannot be distributed until a separate probate proceeding for Gloria Peters has been completed. Such proceedings are initiated by the Bureau of Indian Affairs.

No claims were filed against the estate.

ORDER

NOW, THEREFORE, By virtue of the power and authority vested in the Secretary of the Interior under section 1 of the Act of June 25, 1910, as amended, 25 U.S.C. 372, and other applicable statutes,

and pursuant to 43 CFR Part 4, and the findings and conclusions herein, it is hereby ordered that the Superintendent or other officer in charge distribute the estate to the decedent's heirs named in the findings.

This decision is final for the Department unless a response to the Order to Show Cause is received within the 60 day time period established above, or unless a petition for rehearing is timely filed in accordance with 43 CFR 4.241 within 60 days from the date hereof as set forth in the notice attached hereto.

ORDER TO SHOW CAUSE

To the extent any of the parties whose names appear on the notice accompanying this Order disagree with the findings in the following Order Determining Heirs, they are hereby ordered to show cause, in writing, why the following Order should not have been issued in this estate. Such show cause must be filed within sixty days of the date of this Order.

ORDER DETERMINING HEIRS

After due notice, a hearing was held in San Francisco, California, on July 31, 2007, to determine the heirs and settle the Indian trust estate of Gloria Frances Peters, a deceased Yurok Indian. No one appeared at the hearing. This forum has therefore based this Order Determining Heirs on the probate data shown on the Data for Heirship Finding and Family History (OHA-7) form, which data was certified as complete and correct by the Pacific Regional Office, Bureau of Indian Affairs. This Order is also based on information from the copy of the decedent's death certificate in the probate file.

The following findings and conclusions are based upon the evidence adduced:

The decedent, who was a resident of the State of California, died intestate at Daly City, California, on October 22, 1999.

According to BIA records, the decedent was not a record owner of Indian trust property at the time she died. The decedent's

mother, however, was a plaintiff in the class action, Jessie Short, et al -v- the United States of America, (Declaration # 2618) and it has been determined that such interests will be probated through the Federal forum pursuant to 43 CFR Part 4, Subpart D. The decedent died after her mother, and the decedent's estate was found to be an heir of the decedent's mother in the mother's Indian probate proceeding. (See Order Determining Heirs in the Estate of Mary Ruggiero, Probate No. P-00000-8074-IP).

The Jessie Short funds going to the decedent's estate are considered to be trust personal property. The decedent was survived by certain persons whose respective names, relationships, birth dates, and interests in the estate under Calif. Prob. Code § 6402(a), are as follows:

Lavonne Zavala ¹ B: [REDACTED] 1948	Daughter	562N002821	1/3
Pamela Castro B: [REDACTED] 1950	Daughter	562N003352	1/3
Raeann Peters ² B: [REDACTED] 1953	Daughter	562N003346	1/3

If the decedent was survived by a spouse as well as the above-named daughters, the surviving spouse would also be entitled to a share of the decedent's Indian trust property. The record does not contain any evidence, however, that the decedent was survived by a spouse. According to the decedent's death certificate, the decedent was widowed at the time she died. Therefore, the undersigned finds that the above-named daughters were the decedent's only heirs.

The judgments of deceased Jesse Short plaintiffs are distributed to heirs by checks issued by Citibank on trust account under the control of the U.S. Court of Federal Claims (the Court) that awarded the judgments. No check can be issued by Citibank until it has received from the Court an order specifically authorizing that distribution.

¹Lavonne Zavala's surname may now be Phillips.

²Raeann Peters's surname may now be Lepani.

For the assistance of the Court, the law firm of Faulkner, Sheehan & Wunsch, 351 California Street, San Francisco, CA 94104, prepares Distribution Schedules showing the calculation of the amount due each heir and the heir's Social Security number and confirmed current address. To facilitate the preparation of these Schedules, each heir identified in this Probate Order should send a letter to this law firm stating his or her birthdate, Social Security number, telephone number and the address where the heir will be available to provide proof of identity to receive a check sent by restricted certified mail.

These distribution schedules are not prepared until after the expiration of the 60-day period to file a petition for rehearing of this Order. Before the schedules are considered by the Court, they must be approved by the Government's Indian Trust Accounting Division and the Department of Justice. Consequently, sometimes it may be as long as eight months after the date of this order, assuming no petition for rehearing is filed, before the checks are mailed by Citibank to the heirs.

No claims were filed against the estate.

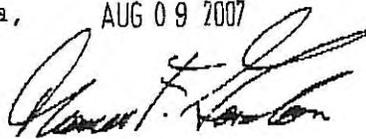

ORDER

NOW, THEREFORE, By virtue of the power and authority vested in the Secretary of the Interior under section 1 of the Act of June 25, 1910, as amended, 25 U.S.C. 372, and other applicable statutes, and pursuant to 43 CFR Part 4, and the findings and conclusions herein, it is hereby ordered that the Superintendent or other officer in charge distribute the estate to the decedent's heirs named in the findings.

This decision is final for the Department unless a response to the Order to Show Cause is received within the 60 day time period established above, or unless a petition for rehearing is timely filed in accordance with 43 CFR 4.241 within 60 days from the date hereof as set forth in the notice attached hereto.

The evidence establishes that the will was properly made and executed and that Della Loleya Rouse possessed testamentary capacity and was free of undue influence. Accordingly, the will should be approved.

A certified copy of the last will and testament filed in this estate is substituted for the original will for Federal probate purposes. It should be noted that the decedent had two wills. One dated 07/27/2001 which had been filed with the BIA for probate purposes. The second, and the original will, dated 06/26/2002 was brought in by Susan Tsosie. The undersigned judge reviewed the will and asked that a copy be made by California Indian Legal Services which was done. The copy on file herein is an exact copy of the original last will and testament.

The prior will of 2001 left her estate to Susan Tsosie as did the subsequent will. The only difference in the distribution of the trust assets was the addition of Edith Tripp, sister, to the later will in the event Susan Tsosie did not survive the testatrix.

The Estates of Maggie Griffin and Daniel Phillips are taken in to the record and incorporated by reference herein.

No claims were filed against the estate.

ORDER

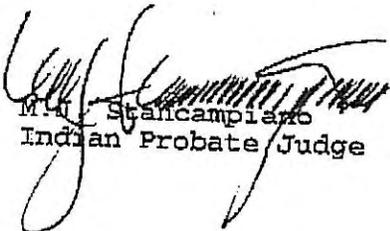

NOW, THEREFORE, By virtue of the power and authority vested in the Secretary of the Interior by section 2 of the Act of June 25, 1910, 25 U.S.C. 373, and other applicable statutes, and pursuant to 43 CFR Part 4 and the findings and conclusions herein, it is hereby ordered that the last will and testament of Della Loleya Rouse, dated 06/26/2002 be, and same is approved. The Superintendent or other officer in charge shall cause a distribution to be made of the trust estate of the testatrix in accordance with the said last will and testament, as follows:

TO:

Susan J. Tsosie, niece, 562U002674, born 09/25/1948, all of the trust estate of the testatrix both real and personal.

This decision is final for the Department unless a petition for rehearing is timely filed in accordance with 43 CFR 4.241 within 60 days from the date hereof as set forth in the notice attached hereto.

B: [REDACTED] 1954.

The Estates of the brothers and sisters that died subsequently to Daniel Phillips will have to be probated to determine the heirs, the existence of a will and whether or not claims must be paid before the estates can be distributed.

The decedent, Daniel Phillips, appeared to have executed a will to distribute his estate. From a letter dated 01/22/1982, shortly after his death an attorney, Stephen Brown of Montesano, Washington, makes reference to it. In essence he informs Della Rouse, decedent's sister, and apparent heir under the will, that Daniel Phillips had left his estate equally to her, Elizabeth Walcott, a niece, and Lester Phillips his brother. The will appears to have been destroyed in a flood of the attorney's office which destroyed all documents prior to 1989, including the will in this estate. Neither the attorney, whom the BIA contacted, nor the Montesano County court house have a copy of the will.

By copy of an affidavit executed on 01/26 for State probate proceedings of the decedent's non trust property, 1982 Elizabeth Walcott signed that she was personally responsible for all the decedent's property and had secured the written authority of the other heirs, devisees or legatees to have it delivered over to her.

That the decedent had a will is in all probability true. But how he wished his trust estate to be distributed is a matter for mere conjecture. That decision cannot be made based on the amount of evidence provided to this forum. We do know what and to whom he wished his non-trust estate distributed from the contents of the letter from the attorney. He may have wished for the same distribution in both estates; he may not have. The will witnesses are not known, the scrivener cannot be expected to remember the precise contents of a will from 25 years ago.

If the decedent wished his trust estate to pass to Della Rouse, Lester Phillips and an Elizabeth Walcott, described as a niece but who is not listed as a descendent in the OHA-7 form,

the intestate succession scheme outlined above can be fairly said to accomplish part of his intent simply because of the passage of time. Della Rouse died without leaving issue in 2005. Her Estate, P000037061-IP is incorporated herein and made part hereof. Lester Phillips died leaving issue in 2000. His heirs at law will also participate in this estate just a Della Rouses'. The interest to the unknown niece will be distributed more broadly to the living nieces as well as the other heirs at law. The Estate of Maggie Griffin may increase the size of this estate to further ease the fact that the will was destroyed and that estate is incorporated into this estate by reference.

The requirement of how to prove up or deny a lost or destroyed will is a matter for federal and not state law. The governing case is Estate of Florence Night Chase, 38 IBIA 188 which quotes Estate of Ute, IA-143 (1955). The Acting Solicitor for the Department placed some standards that could be used to establish the validity of a lost or destroyed will. Among them are: was it properly prepared and attested, are its provisions definitively proved, who are the witnesses and what is their testimony concerning the execution and testator's freedom from undue influence, coercion, fraud, and duress and what can they or the scrivener testify to as to the rationale employed by the decedent in his distribution scheme? As addressed earlier in this Order this evidence is not available to this forum. The fundamental missing piece is whether or not the decedent's will had another distribution scheme for his trust assets.

It is noted that the decedent was a plaintiff in the class action, Jessie Short, et al -v- the United States of America, (Declaration # 2360) and it has been determined that such interests will be probated through the Federal forum pursuant to 43 CFR Part 4, Subpart D.

The judgments of deceased Jesse Short plaintiffs are distributed to heirs by checks issued by Citibank on trust account under the control of the U.S. Court of Federal Claims (the Court) that awarded the judgments. No check can be issued by Citibank until it has received from the Court an order specifically authorizing that distribution.

For the assistance of the Court, the law firm of Faulkner, Sheehan & Wunsch, 351 California Street, San Francisco, CA 94104, Suite 830, prepares Distribution Schedules showing the calculation of the amount due each heir and the heir's Social Security number and confirmed current address. To facilitate the preparation of these Schedules, each heir identified in this Probate Order should send a letter to this law firm stating birthdate, social security number, telephone number and the address where the heir will be available to provide proof of identity to

receive a check sent by restricted certified mail.

These distribution schedules are not prepared until after the expiration of the 60-day period to file a petition for rehearing of this Order. Before the schedules are considered by the Court, they must be approved by the Government's Indian Trust Accounting Division and the Department of Justice. Consequently, sometimes it may be as long as eight months after the date of this order, assuming no petition for rehearing is filed, before the checks are mailed by Citibank to the heirs.

No claims were filed against the estate.

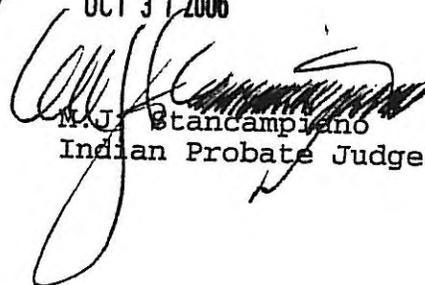

ORDER

NOW, THEREFORE, By virtue of the power and authority vested in the Secretary of the Interior under section 1 of the Act of June 25, 1910, as amended, 25 U.S.C. 372, and other applicable statutes, and pursuant to 43 CFR Part 4, and the findings and conclusions herein, it is hereby ordered that the Superintendent or other officer in charge distribute the estate to the decedent's heirs named in the findings.

IN THE MATTER OF THE ESTATE OF)
DOROTHY RAGAIN) PROBATE IP SA 442 N 95
DECEASED YUROK) ORDER DETERMINING HEIRS

On December 12, 1995, a hearing was held at Hoopa, California, to determine the heirs and settle the estate of Dorothy Ragain, a deceased Yurok Indian.

The following findings and conclusions are based upon the evidence adduced:

The decedent, who was a resident of the State of Missouri, died intestate at Hoopa, California on December 2, 1994.

At death the decedent was possessed of that trust or restricted property, real and personal, shown on the inventory attached and other reporting documents, and the decedent was survived by certain persons whose respective names, relationships, birth dates, and interests in the estate under Missouri law, Revised Statutes of Missouri, Section 474.010(1), are as follows:

Clovis Regain	husband	Non-Indian	2/4
B. [REDACTED] 29			
Jack Weaver	son	Non-enrolled Yurok	1/4
B. [REDACTED] 48			
Jill Weaver	daughter	Non-enrolled Yurok	1/4

Clovis Regain indicated at the hearing that he wished to file a claim against the estate for reimbursement of the expenses of the decedent's funeral, which he had paid. The amount of the claim is \$7,298.13. This forum permitted him to perfect his claim in accordance with accordance with 43 CFR 4.250 and 4.251, which he did. Thereafter, Jill Weaver was advised by this forum as to the nature and amount of the claim and she stated that she did not object to the claim. All items of the claim have been supported by proof of payment of such items by Clovis Regain. Accordingly, I find, and so determine that the claim is to be fully paid from the decedent's share of the Jessie Short Fund, to which she is entitled as a plaintiff in Jessie Short et al -v- The United States of America (Declaration #3123) before any remaining balance is distributed to the decedent's heirs in the fractional shares above set forth.

Although the claim was not circulated to Jack Weaver, he may challenge this Order in which the claim is allowed by filing a petition for rehearing during the sixty day period following the date of this Order.

562U000941)

On 09/22/2006 , a hearing was held at Redding, California, to determine the heirs and settle the estate of James D. Quinn Jr., a deceased Yurok Indian.

The following findings and conclusions are based upon the evidence adduced:

The decedent, who was a resident of the State of California, died intestate at Novato, California on 01/28/1969.

At death the decedent was possessed of that trust or restricted property, real and personal, shown on the inventory attached and other reporting documents, and the decedent was survived by certain persons whose respective names, relationships, birth dates, and interests in the estate under the probate code of the State of California at sections 6401(c)(2)(B) and 6402(b) , are as follows:

TO:

The Estate of Muriel Quinn (Nichols), spouse, born [REDACTED] 1914 and died [REDACTED] 1991. Tribal affiliation unknown. 1/2

The Estate of Martha (Noble) Quinn, mother, born [REDACTED] 1889 and died [REDACTED] 1984, 562N000940. 1/2

It is noted that the decedent was a plaintiff in the class action, Jessie Short, et al -v- the United States of America, (Declaration # 2429) and it has been determined that such interests will be probated through the Federal forum pursuant to 43 CFR Part 4, Subpart D.

The judgments of deceased Jesse Short plaintiffs are distributed to heirs by checks issued by Citibank on trust account under the control of the U.S. Court of Federal Claims (the Court) that awarded the judgments. No check can be issued by Citibank

until it has received from the Court an order specifically authorizing that distribution.

For the assistance of the Court, the law firm of Faulkner, Sheehan & Wunsch, 351 California Street, Suite 830, San Francisco, CA 94104, prepares Distribution Schedules showing the calculation of the amount due each heir and the heir's Social Security number and confirmed current address. To facilitate the preparation of these Schedules, each heir identified in this Probate Order should send a letter to this law firm stating birthdate, Social Security number, telephone number and the address where the heir will be available to provide proof of identity to receive a check sent by restricted certified mail.

These distribution schedules are not prepared until after the expiration of the 60-day period to file a petition for rehearing of this Order. Before the schedules are considered by the Court, they must be approved by the Government's Indian Trust Accounting Division and the Department of Justice. Consequently, sometimes it may be as long as eight months after the date of this order, assuming no petition for rehearing is filed, before the checks are mailed by Citibank to the heirs.

No claims were filed against the estate.

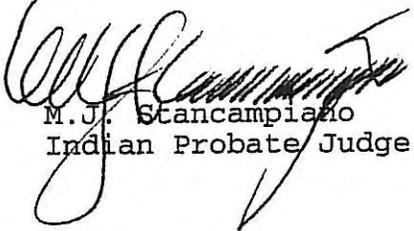

ORDER

NOW, THEREFORE, By virtue of the power and authority vested in the Secretary of the Interior under section 1 of the Act of June 25, 1910, as amended, 25 U.S.C. 372, and other applicable statutes, and pursuant to 43 CFR Part 4, and the findings and conclusions herein, it is hereby ordered that the Superintendent or other officer in charge distribute the estate to the decedent's heirs named in the findings.

This decision is final for the Department unless a petition for rehearing is timely filed in accordance with 43 CFR 4.241 within 60 days from the date hereof as set forth in the notice attached hereto.

ORDER TO SHOW CAUSE

To the extent any of the parties whose names appear on the notice accompanying this Order disagree with the findings in the following Order Approving Will and Decree of Distribution, they are hereby ordered to show cause, in writing, why the following Order Approving Will and Decree of Distribution should not have been issued in this estate. Such show cause must be filed within sixty days of the date of this Order.

ORDER APPROVING WILL AND DECREE OF DISTRIBUTION

After due notice, a hearing was held at Eureka, California on August 15, 2006, to determine the validity of the last will and testament of Martha Quinn, dated April 26, 1984, and to settle her estate. No one appeared at the hearing. This forum has therefore based this Order Approving Will and Decree of Distribution on the probate data shown on the Data for Heirship Finding and Family History (OHA-7) form, which data was certified as complete and correct by Pacific Regional Office, Bureau of Indian Affairs. This Order is also based on information reflected on the decedent's death certificate. Finally, this Order is based on a copy of the decedent's will, dated April 26, 1984. Copies of the will were provided as an attachment to the Notice of Hearing, mailed on July 14, 2006.

The following findings and conclusions are based upon the evidence adduced:

Martha Quinn, who was a resident of the State of California, died on August 7, 1984 at Eureka, California. Had there been no

will, her heirs at law would be determined in accordance with California's law of descent and distribution. Based on the current record, it appears that the decedent died without a surviving spouse, surviving issue, surviving parents, or surviving issue of her parents (such as siblings, nieces, nephews, etc.). Under California law, the next step would be to determine whether the decedent was survived by any issue of her grandparents, such as aunts, uncles, first cousins, or the issue of first cousins. Calif. Prob. Code § 6402(d). If not, the next step would be to determine whether the decedent's spouse had issue who survived the decedent. Calif. Prob. Code § 6402(e). If not, the next step would be to determine whether the decedent was survived by any next of kin, such as the issue of the decedent's great-grandparents (second cousins, etc.). Calif. Prob. Code § 6402(f). Finally, if it was determined that the decedent left no surviving next of kin, the decedent's Indian trust property would escheat either to the Yurok Tribe or to the United States. 25 U.S.C. §§ 373a and 373b.

The OHA-7 form currently provides information only about the decedent's "in-laws," who would not be considered the decedent's heirs under California law, unless such in-laws were the issue of the decedent's pre-deceased spouse. The only individuals listed on the OHA-7 form not described as "in-laws" are the two beneficiaries under the will, Jessie Quinn (Short) and Robert McCoy, who are described as "distant relatives." These individuals may or may not have been the decedent's heirs-at-law in the absence of a will, depending on the precise nature of their relationship to the decedent.

In the absence of a will, further research would be needed to determine the decedent's nearest next of kin, if any. Because the undersigned has determined that the decedent's will should be approved, however, the undersigned further determines that the delay and expense associated with further research is unnecessary. Any person receiving a copy of this decision from this forum should consider himself or herself an interested party in this matter, with the right to object to the will by responding to the Order to Show Cause set forth above.

The evidence, including a copy of the will itself, supports a finding that the will was properly made and executed. Moreover, because the decedent died without any immediate family, the will reflects a rational testamentary scheme. Accordingly, the will should be approved.

It is noted that the decedent was a plaintiff in the class action, Jessie Short, et al -v- the United States of America, (Declaration # 2434) and it has been determined that such interests will be probated through the Federal forum pursuant to 43 CFR Part 4, Subpart D.

The judgments of deceased Jesse Short plaintiffs are distributed to heirs by checks issued by Citibank on trust account under the control of the U.S. Court of Federal Claims (the Court) that awarded the judgments. No check can be issued by Citibank until it has received from the Court an order specifically authorizing that distribution.

For the assistance of the Court, the law firm of Faulkner, Sheehan & Wunsch, 351 California Street, San Francisco, CA 94104, prepares Distribution Schedules showing the calculation of the amount due each heir and the heir's Social Security number and confirmed current address. To facilitate the preparation of these Schedules, each heir identified in this Probate Order should send a letter to this law firm stating birthdate, Social Security number, telephone number and the address where the heir will be available to provide proof of identity to receive a check sent by restricted certified mail.

These distribution schedules are not prepared until after the expiration of the 60-day period to file a petition for rehearing of this Order. Before the schedules are considered by the Court, they must be approved by the Government's Indian Trust Accounting Division and the Department of Justice. Consequently, sometimes it may be as long as eight months after the date of this order, assuming no petition for rehearing is filed, before the checks are mailed by Citibank to the heirs.

No claims were filed against the estate.

ORDER

NOW, THEREFORE, By virtue of the power and authority vested in the Secretary of the Interior by section 2 of the Act of June 25, 1910, 25 U.S.C. 373, and other applicable statutes, and pursuant to 43 CFR Part 4 and the findings and conclusions herein, it is hereby ordered that the last will and testament of Martha Quinn, dated April 26, 1984 be, and same is approved. The Superintendent or other officer in charge shall cause a distribution to be made of

the trust estate of the testatrix in accordance with the said last will and testament, as follows:

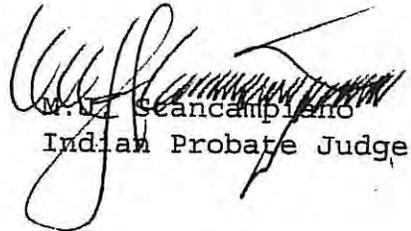

TO:

Estate of Jessie Quinn (Short) 562U005785 1/2
B: [REDACTED] 1905 (subsequently deceased [REDACTED] 1994)

Estate of Robert McCoy 562U003711 1/2
B: [REDACTED] 1924 (subsequently deceased [REDACTED] 1998)

This decision is final for the Department unless a response to the Order to Show Cause is received within the 60 day time period established above, or unless a petition for rehearing is timely filed in accordance with 43 CFR 4.241 within 60 days from the date hereof as set forth in the notice attached hereto.

43 CFR 4.241 Rehearing

(a) Any person aggrieved by the decision of the OHA deciding official may, within 60 days after the date on which notice of the decision is mailed to the interested parties, file with the OHA deciding official a written petition for rehearing. Such petition must be under oath and must state specifically and concisely the grounds upon which it is based. If the petition is based on newly-discovered evidence, it must be accompanied by affidavits or declarations of witnesses stating fully what the new testimony is to be. It must also state justifiable reasons for the failure to discover and present that evidence, tendered as new, at the hearings held prior to the issuance of the decision. The OHA deciding official, upon receiving a petition for rehearings must promptly forward a copy to the Superintendent. The Superintendent must not initiate payment of claims or distribute the estate while such petition is pending, unless otherwise directed by the OHA deciding official.

(b) If proper grounds are not shown, or if the petition is not filed within the time prescribed in paragraph (a) of this section, the OHA deciding official will issue an order denying the petition and must set forth therein his or her reasons therefor. The OHA deciding official must furnish copies of such order to the petitioner, the Superintendent, and the parties in interest.

(c) If the petition appears to show merit, the OHA deciding official must cause copies of the petition and supporting papers to be served on those persons whose interest in the estate might be adversely affected by the granting of the petition. The OHA deciding official must allow all persons served a reasonable, specified time in which to submit answers or legal briefs in opposition to the petition. The OHA deciding official will then reconsider with or without hearing as he or she may determine, the issues raised in the petition; he or she may modify or vacate it, or make such further order as it is warranted.

(d) Upon entry of a final order, the OHA deciding official must lodge the complete record relating to the petition with the title plant designated under §4.236(b), and furnish a duplicate record thereof to the Superintendent.

(e) Successive petitions for rehearing are not permitted, and except for the issuance of necessary orders nunc pro tunc to correct clerical errors in the decision, the jurisdiction of the OHA deciding official terminates upon the issuance of a decision finally disposing of a petition for rehearing. Nothing herein will be construed as a bar to the remand of a case by the Board for further hearing or rehearing after appeal.

(f) At the time the final decision is entered following the filing of a petition for rehearing, the OHA deciding official must direct a notice of such action with a copy of the decision to the Superintendent and to the parties in interest and must mail the same by regular mail to the said parties at their addresses of record.

(g) No distribution may be made under such order for a period of 60 days following the mailing of a notice of decision pending the filing of a notice of appeal by an aggrieved party as herein provided.

ROBERT DARRELL MCCOY) ORDER APPROVING WILL AND
) DECREE OF DISTRIBUTION
DECEASED YUROK INDIAN)
562U003711)

On April 11, 2001, a hearing was held at Eureka, California to determine the validity of the last will and testament of Robert Darrell McCoy, dated May 8, 1997, and to settle his estate.

The following findings and conclusions are based upon the evidence adduced:

Robert Darrell McCoy, who was a resident of the State of California, died on December 1, 1998, at Eureka, California. Had there been no will, his heirs at law determined in accordance with the laws of California Probate Code, Section 6401(c)(3)(A)(West), and the respective shares taken by each would be:

Eleanor McCoy B: [REDACTED] 28	wife	non-Indian	1/3
Bonnie Garcia B: [REDACTED] 55	daughter	562U7809	1/3
Connie Williams B: [REDACTED] 56	daughter	562U7912	1/3

The evidence establishes that the will was properly made and executed and that Robert Darrell McCoy possessed testamentary capacity and was free of undue influence. Accordingly, the will should be approved.

A copy of the last will and testament filed in this estate is substituted for the original will for Federal probate purposes.

It is noted that the decedent was a plaintiff in the class action, Jessie Short, et al -v- the United States of America, (Declaration #01673) and it has been determined that such interests will be probated through the Federal forum pursuant to 43 CFR Part 4, Subpart D.

Robert Darrell McCoy is an heir to deceased Jessie Short Plaintiff Greeley Richards, IP SA 027 N 98.

By agreement with the Bureau of Indian Affairs, the law firm of Faulkner, Sheehan & Wunsch, 351 California Street, San Francisco, is making distribution of the Jessie Short funds.

This firm has advised this forum that no distribution of such funds in this estate should be expected before at least 120 days from the date of this Order.

No claims were filed against the estate.

ORDER

NOW, THEREFORE, By virtue of the power and authority vested in the Secretary of the Interior by section 2 of the Act of June 25, 1910, 25 U.S.C. 373, and other applicable statutes, and pursuant to 43 CFR Part 4 and the findings and conclusions herein, it is hereby ordered that the last will and testament of Robert Darrell McCoy, dated May 8, 1997 be, and same is approved. The Superintendent or other officer in charge shall cause a distribution to be made of the trust estate of the testator in accordance with the said last will and testament, as follows:

TO: Eleanor McCoy, wife, born: [REDACTED] 1928, all of the testator's entire trust estate according to article Third of the decedent's will.

This decision is final for the Department unless a petition for rehearing is timely filed in accordance with 43 CFR 4.241 within 60 days from the date hereof as set forth in the notice attached hereto.

MARTHA QUINN) ORDER TO SHOW CAUSE;

DECEASED YUROK TRIBE INDIAN) DECREE OF DISTRIBUTION
562N000940)

ORDER TO SHOW CAUSE

To the extent any of the parties whose names appear on the notice accompanying this Order disagree with the findings in the following Order Approving Will and Decree of Distribution, they are hereby ordered to show cause, in writing, why the following Order Approving Will and Decree of Distribution should not have been issued in this estate. Such show cause must be filed within sixty days of the date of this Order.

ORDER APPROVING WILL AND DECREE OF DISTRIBUTION

After due notice, a hearing was held at Eureka, California on August 15, 2006, to determine the validity of the last will and testament of Martha Quinn, dated April 26, 1984, and to settle her estate. No one appeared at the hearing. This forum has therefore based this Order Approving Will and Decree of Distribution on the probate data shown on the Data for Heirship Finding and Family History (OHA-7) form, which data was certified as complete and correct by Pacific Regional Office, Bureau of Indian Affairs. This Order is also based on information reflected on the decedent's death certificate. Finally, this Order is based on a copy of the decedent's will, dated April 26, 1984. Copies of the will were provided as an attachment to the Notice of Hearing, mailed on July 14, 2006.

The following findings and conclusions are based upon the evidence adduced:

Martha Quinn, who was a resident of the State of California, died on August 7, 1984 at Eureka, California. Had there been no

will, her heirs at law would be determined in accordance with California's law of descent and distribution. Based on the current record, it appears that the decedent died without a surviving spouse, surviving issue, surviving parents, or surviving issue of her parents (such as siblings, nieces, nephews, etc.). Under California law, the next step would be to determine whether the decedent was survived by any issue of her grandparents, such as aunts, uncles, first cousins, or the issue of first cousins. Calif. Prob. Code § 6402(d). If not, the next step would be to determine whether the decedent's spouse had issue who survived the decedent. Calif. Prob. Code § 6402(e). If not, the next step would be to determine whether the decedent was survived by any next of kin, such as the issue of the decedent's great-grandparents (second cousins, etc.). Calif. Prob. Code § 6402(f). Finally, if it was determined that the decedent left no surviving next of kin, the decedent's Indian trust property would escheat either to the Yurok Tribe or to the United States. 25 U.S.C. §§ 373a and 373b.

The OHA-7 form currently provides information only about the decedent's "in-laws," who would not be considered the decedent's heirs under California law, unless such in-laws were the issue of the decedent's pre-deceased spouse. The only individuals listed on the OHA-7 form not described as "in-laws" are the two beneficiaries under the will, Jessie Quinn (Short) and Robert McCoy, who are described as "distant relatives." These individuals may or may not have been the decedent's heirs-at-law in the absence of a will, depending on the precise nature of their relationship to the decedent.

In the absence of a will, further research would be needed to determine the decedent's nearest next of kin, if any. Because the undersigned has determined that the decedent's will should be approved, however, the undersigned further determines that the delay and expense associated with further research is unnecessary. Any person receiving a copy of this decision from this forum should consider himself or herself an interested party in this matter, with the right to object to the will by responding to the Order to Show Cause set forth above.

The evidence, including a copy of the will itself, supports a finding that the will was properly made and executed. Moreover, because the decedent died without any immediate family, the will reflects a rational testamentary scheme. Accordingly, the will should be approved.

It is noted that the decedent was a plaintiff in the class action, Jessie Short, et al -v- the United States of America, (Declaration # 2434) and it has been determined that such interests will be probated through the Federal forum pursuant to 43 CFR Part 4, Subpart D.

The judgments of deceased Jesse Short plaintiffs are distributed to heirs by checks issued by Citibank on trust account under the control of the U.S. Court of Federal Claims (the Court) that awarded the judgments. No check can be issued by Citibank until it has received from the Court an order specifically authorizing that distribution.

For the assistance of the Court, the law firm of Faulkner, Sheehan & Wunsch, 351 California Street, San Francisco, CA 94104, prepares Distribution Schedules showing the calculation of the amount due each heir and the heir's Social Security number and confirmed current address. To facilitate the preparation of these Schedules, each heir identified in this Probate Order should send a letter to this law firm stating birthdate, Social Security number, telephone number and the address where the heir will be available to provide proof of identity to receive a check sent by restricted certified mail.

These distribution schedules are not prepared until after the expiration of the 60-day period to file a petition for rehearing of this Order. Before the schedules are considered by the Court, they must be approved by the Government's Indian Trust Accounting Division and the Department of Justice. Consequently, sometimes it may be as long as eight months after the date of this order, assuming no petition for rehearing is filed, before the checks are mailed by Citibank to the heirs.

No claims were filed against the estate.

ORDER

NOW, THEREFORE, By virtue of the power and authority vested in the Secretary of the Interior by section 2 of the Act of June 25, 1910, 25 U.S.C. 373, and other applicable statutes, and pursuant to 43 CFR Part 4 and the findings and conclusions herein, it is hereby ordered that the last will and testament of Martha Quinn, dated April 26, 1984 be, and same is approved. ORDER DETERMINING HEIRS AND DECREE OF DISTRIBUTION

This is a proceeding to determine heirs, approve or disapprove any will naming beneficiaries and settle the Indian trust/restricted estate of Josephine Robinson. It is conducted pursuant to authority vested in the Secretary of the Interior as delegated to the undersigned 43 CFR Part 4. Pursuant to 25 CFR 15.101 *et. seq.* this probate was prepared by the Bureau of Indian Affairs, Pacific Regional Office and submitted by the Director to the Office of Hearings and Appeals for informal hearing. Notice was given as required by law. An informal probate hearing was held on July 26, 2006 in Arcata, California. At the informal hearing, information pertaining to the estate was received, including the Bureau of Indian Affairs' probate file.

The following interested parties appeared at the hearing: Clifton Barnes, Imogene Howard, Arnold L. Robinson, Katheryn D. Moore, Willa Duncan, Richard Duncan, Pat Robinson and Cindy Robinson.

Based on the foregoing, findings of fact were made as follows:

1. The decedent was Josephine Robinson aka Josephine Cooper, Josephine Luddington, a Yurok Indian, ID number 562U002435, Social Security Number [REDACTED]-7613.
2. Vital Statistics. The decedent was born on June 11, 1896 and died a resident of the State of California on the 17th day of November, 1975, having attained the age of seventy-nine.
3. Heirs. The decedent was survived by heirs-at-law whose names, birth dates, relationship to the decedent and interests in the estate as determined by statutes of intestate succession of the State of California §§ 222 and 250 are as follows:

Name	Relationship	DOB	Tribe/ID	Share
Estate of Mary Smith	daughter	[REDACTED] 1920	562U002523	1/6
Imogene Howard	daughter	[REDACTED] 1922	562U001720	1/6

Kenneth Robinson	son	████-1927	562U000986	1/6
Katheryn D. Moore	daughter	████-1930	562U002216	1/6
Jocelyn Moore	daughter	████-1934	562U002215	1/6
Arnold Lewis Robinson	nephew	████-1934	562U003330	1/18
William Cecil Burton	nephew	████-1944	562U003328	1/18
Willa Mae Duncan aka Willa Mae Burton	niece	████-1944	562U003329	1/18

4. Will. No will was submitted and there is no evidence that the decedent executed a will.
5. Claims. No claims were submitted and none ordered to be paid.
6. Citizenship and Jurisdiction: That all heirs-at-law are citizens of the United States; that the Decedent held beneficial interests in trust properties of the United States; and that the Department of Interior has jurisdiction over the probate administration of those assets.
7. It is noted that the decedent was a plaintiff in the class action, Jessie Short, et al - v- the United States of America, (Declaration # 2568) and it has been determined that such interests will be probated through the Federal forum pursuant to 43 CFR Part 4, Subpart D.

The judgments of deceased Jessie Short plaintiffs are distributed to heirs by checks issued by Citibank on a trust account under the control of the U.S. Court of Federal Claims (the Court) that awarded the judgments. No check can be issued by Citibank until it has received from the Court an order specifically authorizing that distribution.

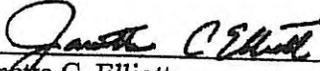

For the assistance of the Court, the law firm of **Faulkner, Sheehan & Wunsch, 351 California Street, San Francisco, CA 94104**, prepares Distribution Schedules showing the calculation of the amount due each heir and the heir's Social Security number and confirmed current address. To facilitate the preparation of these Schedules, each heir identified in this decision should send a letter to this law firm stating birth date, Social Security number, telephone number and the address where the heir will be available to provide proof of identity to receive a check sent by restricted certified mail.

These distribution schedules are not prepared until after the expiration of the 60-day period to file a request for de novo review of this decision. Before the schedules are considered by the Court, they must be approved by the Government's Indian Trust Accounting Division and the Department of Justice. Consequently, sometimes it may be as long as eight months after the date of this decision, assuming no request for de novo review is filed, before the checks are mailed by Citibank to the heirs.

IT IS THEREFORE ORDERED that, by virtue of the power and authority vested in the Secretary of Interior by 25 U.S.C. 372 as implemented by 43 CFR Part 4, and other applicable laws, that all the Indian trust restricted property owned by decedent at the time of death, both real and personal, including any income accrued after the decedent's death, shall pass and be distributed as provided above in Paragraph 3.

This decision is final for the Department unless a request for de novo review is filed, pursuant to 43 C.F.R. 4.215 *et seq.* within 60 days from the date hereof.

Dated AUG 11 2006

ORDER DETERMINING HEIRS AND DECREE OF DISTRIBUTION

This is a proceeding to determine heirs, approve or disapprove any will naming beneficiaries and settle the Indian trust/restricted estate of Mary Agnes Smith, deceased. It is conducted pursuant to authority vested in the Secretary of the Interior as delegated to the undersigned by undersigned by 43 C.F.R. Part 4. Pursuant to 25 C.F.R. 15.101 *et seq.* this probate was prepared by the Pacific Regional Office of the Bureau of Indian Affairs, Sacramento, California and forwarded by the Director to the Office of Hearings and Appeals for informal hearing. Notice was given as required by law. An informal probate hearing was held on March 20, 2007 at Arcata, California. At the informal hearing, information pertaining to the estate was received, including the Bureau of Indian Affairs' probate file.

No interested parties appeared at the hearing.

Based on the foregoing, findings of fact were made as follows:

The decedent was Mary Agnes Smith, a Yurok Indian, ID number 562U002523, Social Security Number [REDACTED]-3669.

1. Vital Statistics. The decedent was born on December 16, 1920 and died a resident of the State of California on the 20th day of January, 2000, having attained the age of seventy-nine.
2. Assets. The BIA reported decedent had no funds in an Individual Indian Money (IIM) Account at the time of death and none at the time of submission to this office for probate. A copy of the Order Determining Heirs and Decree of Distribution for the Estate of Josephine Robinson along with an August 28, 2006 Order Nunc Pro Tunc are attached and incorporated herein as part of this decision. The inheritance included Jesse Short funds. Josephine Robinson was a plaintiff in the class action, *Jessie Short, et al -v- the United States of America*, (Declaration Number 2568).

The judgments of deceased *Jessie Short* plaintiffs are distributed to heirs by checks issued by Citibank on a trust account under the control of the U.S. Court of Federal Claims (the Court) that awarded the judgments. No check can be issued by Citibank until it has received from the Court an order specifically authorizing that distribution.

For the assistance of the Court, the law firm of **Faulkner, Sheehan & Wunsch, 351 California Street, San Francisco, CA 94104**, prepares Distribution Schedules showing the calculation of the amount due each heir and the heir's Social Security number and confirmed current address. To facilitate the preparation of these Schedules, **each heir identified in this decision should send a letter to the law firm of Faulkner, Sheehan & Wunsch stating birth date, Social Security number, telephone number and the address where the heir will be available to provide proof of identity to receive a check sent by restricted certified mail.**

These distribution schedules are not prepared until after the expiration of the 60-day period to file a request for de novo review of this decision. Before the schedules are considered by the Court, they must be approved by the Government's Indian Trust Accounting Division and the Department of Justice. Consequently, sometimes it may be as long as eight months after the date of this decision, assuming no request for de novo review is filed, before the checks are mailed by Citibank to the heirs.

3. Heirs. The decedent was survived by heirs-at-law whose names, birth dates, relationship to the decedent and interests in the estate as determined by statutes of intestate succession of the State of California, California Probate Code § 6402(a), are as follows:

4. Will. No will was submitted and there is no evidence that the decedent executed a will.
5. Claims. No claims were submitted and none ordered to be paid.
6. Citizenship and Jurisdiction: That all heirs-at-law are citizens of the United States; that the Decedent held beneficial interests in trust properties of the United States; and that the Department of Interior has jurisdiction over the probate administration of those assets.

IT IS THEREFORE ORDERED that, by virtue of the power and authority vested in the Secretary of Interior by 25 U.S.C. § 372 as implemented by 43 C.F.R. Part 4, and other applicable laws, that all the Indian trust restricted property owned by decedent at the time of death, both real and personal, including any income accrued after the decedent's death, shall pass and be distributed as provided above in Paragraph 3 in undivided interests.

This decision is final for the Department unless a petition for rehearing is timely filed in accordance with 43 CFR 4.241 within 60 days from the date hereof as set forth in the notice attached hereto. A copy of such regulation is attached and incorporated.

Dated at Sacramento, California, APR 05 2007

M. J. Stancampiano
Indian Probate Judge

43 CFR 4.241 Rehearing

(a) Any person aggrieved by the decision of the administrative law judge or Indian probate judge may, within 60 days after the date on which notice of the decision is mailed to the interested parties, file with the administrative law judge or Indian probate judge a written petition for rehearing.

(1) The petition must:

(i) Be under oath; and

(ii) State specifically and concisely the grounds on which it is based.

(2) If the petition is based on newly-discovered evidence, it must:

(i) Be accompanied by affidavits or declarations of witnesses stating fully what the new testimony is to be; and

(ii) State justifiable reasons for the failure to discover and present that evidence, tendered as new, at the formal hearings held before the issuance of the decision.

(b) The administrative law judge or Indian probate judge, upon receiving a petition for rehearing, must promptly forward a copy to the Superintendent. The Superintendent must not initiate payment of claims or distribute the estate while such petition is pending, unless otherwise directed by the administrative law judge or Indian probate judge.

(c) If proper grounds are not shown, or if the petition is not filed within the time prescribed in paragraph (a) of this section, the administrative law judge or Indian probate judge will:

(1) Issue an order denying the petition and setting forth his or her reasons therefor; and

(2) Furnish copies of the order to the petitioner, the Superintendent, and the interested parties.

(d) If the petition appears to show merit, the administrative law judge or Indian probate judge must:

(1) Cause copies of the petition and supporting papers to be served on those persons whose interest in the estate might be adversely affected by the granting of the petition;

(2) Allow all persons served a reasonable, specified time in which to submit answers or legal briefs in opposition to the petition; and

(3) Reconsider, with or without a hearing as he or she may determine, the issues raised in the petition; he or she may adhere to the former decision, modify or vacate it, or make such further order as is warranted.

(e) Upon entry of a final order, the administrative law judge or Indian probate judge must lodge the complete record relating to the petition with the designated LTRO under §4.236(b), and furnish a duplicate record thereof to the Superintendent.

(f) Successive petitions for rehearing are not permitted, and except for the issuance of necessary orders nunc pro tunc to correct clerical errors in the decision, the jurisdiction of the administrative law judge or Indian probate judge terminates upon the issuance of a decision finally disposing of a petition for rehearing. Nothing herein prevents the Board from remanding a case for further hearing or rehearing after appeal.

(g) At the time the final decision is entered following the filing of a petition for rehearing, the administrative law judge or Indian probate judge must direct a notice of such action with a copy of the decision to the Superintendent and to the interested parties and must mail the same by regular mail to the said parties at their addresses of record.

(h) No distribution may be made under such order for a period of 75 days following the mailing of a notice of decision pending the filing of a notice of appeal by an aggrieved party as provided in this subpart.

NOTICE
TO ALL PERSONS HAVING AN INTEREST IN THE
SUBJECT MATTER OF THIS PROCEEDING

NOTICE IS GIVEN That on JUL 31 2007 a decision was entered in the estate of **LAURA ANNETTE SEETON**, a deceased YUROK Indian, a copy of which is attached hereto.

This decision becomes final sixty (60) days from the date of mailing of this notice, unless within such period, a written petition for rehearing shall have been mailed to the undersigned Judge, who is the Office of Hearings and Appeals (OHA) deciding official. Such petition must be mailed to the Judge at the United States Department of the Interior, Office of Hearings and Appeals, 801 I Street, Suite 131, Sacramento, California 95814. DECEASED) ORDER APPROVING WILL AND
) DECREE OF DISTRIBUTION
YUROK)
ID 562A000069)

This is a proceeding to determine heirs, approve or disapprove any wills naming beneficiaries, and to settle the Indian trust/restricted estate Laura Annette Seeton, deceased. The Decedent held beneficial interests in trust properties of the United States; and the Department of Interior has jurisdiction over the probate administration of those assets.

Probate data was prepared by the Pacific Regional Office of the Bureau of Indian Affairs, located in Sacramento, California, and forwarded by the Director to the Office of Hearings and Appeals for a formal hearing.

Notice was given as required by law. A formal probate hearing was held on June 28, 2007 in Crescent City, California. At the hearing, evidence pertaining to the estate was received, including the Bureau of Indian Affairs' probate file.

The following interested parties appeared at the hearing: Andrea Soffiotto, Bert Soffiotto, Tony F. Luis, Sr., Geraldine Safford and David G. Patterson.

The following findings and conclusions are based upon the evidence adduced:

The decedent was Laura Annette Seeton, a Yurok Indian, ID Number 562A000069, Social Security Number [REDACTED]-0322.

Decedent was born on April 30, 1875 and died a resident of the State of California, on December 9, 1967, having attained the age of ninety-two.

Assets. The Bureau of Indian Affairs reported decedent had no funds in an Individual Indian Money Account at the time of death and none at the time of submission to this office for probate. Laura Annette Seeton was a plaintiff in the class action, *Jessie Short, et al -v- the United States of America*, (Declaration Number 2712).

The judgments of deceased *Jessie Short* plaintiffs are distributed to heirs by checks issued by Citibank on a trust account under the control of the U.S. Court of Federal Claims (the Court) that awarded the judgments. No check can be issued by Citibank until it has received from the Court an order specifically authorizing that distribution.

For the assistance of the Court, the law firm of **Faulkner, Sheehan & Wunsch, 351 California Street, San Francisco, CA 94104**, prepares Distribution Schedules showing the calculation of the amount due each heir and the heir's Social Security number and confirmed current address. To facilitate the preparation of these Schedules, **each heir identified in this decision should send a letter to the law firm of Faulkner, Sheehan & Wunsch stating birth date, Social Security number, telephone number and the address where the heir will be available to provide proof of identity to receive a check sent by restricted certified mail.**

These distribution schedules are not prepared until after the expiration of the 60-day period to file a request for de novo review of this decision. Before the schedules are considered by the Court, they must be approved by the Government's Indian Trust Accounting Division and the Department of Justice. Consequently, sometimes it may be as long as eight months after the date of this decision, assuming no request for de novo review is filed, before the checks are mailed by Citibank to the heirs.

Heirs. The decedent was survived by heirs at law whose respective names, relationship to decedent, birth dates, tribal affiliation and interests in the estate as determined by statutes of intestate succession of the State of California, California Probate Code § 6402(a), would be as follows, had there been no will:

NAME	RELATIONSHIP	DOB	TRIBE/ID	SHARE
Estate of Effie Georgine Hansen	daughter	████-1896	562N002840	1/5
Estate of Eva Patterson	daughter	████-1902	562N001705	1/5
Charlotte Chase	daughter	████-1904	562U001277	1/5
Estate of Ruby C. Rook	granddaughter	████-1914	562N000987	1/5
Andrea Lee Soffiotto	great granddaughter	████-1947	562N003412	1/5

Two of decedent's children predeceased her, Frank McDaniel and Phoebe Fox. Frank McDaniel left one son, Leland F. McDaniel, who predeceased the decedent leaving one daughter, Andrea Lee Soffiotto. Phoebe Fox left one daughter, Ruby C. Rook, who died after decedent's death.

Will. The decedent died leaving a Last Will and Testament executed June 23, 1959. The evidence establishes that the will was properly made and executed and that Laura Annette Seeton possessed testamentary capacity and was free of undue influence. Based on all the evidence received and the absence of objection, this instrument dated June 23, 1959 is accepted as decedent's Last Will and Testament and approved. By the terms of the will, the decedent devised the Indian trust estate to the following: one dollar to Leland McDaniel, grandson; one dollar to Ruby Rook, granddaughter; the residue of decedent's estate to the Estate of Eva Patterson, daughter and Lottie Chase aka Charlotte Chase, daughter, share and share alike, an undivided 1/2 interest each. Under the anti-lapse provision of the regulations, 43 CFR § 4.261, the daughter of Leland McDaniel, Andrea Lee Soffiotto, takes the one dollar that the decedent devised to Leland McDaniel because he predeceased the decedent.

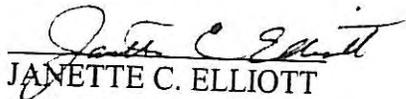

A certified copy of the last will and testament filed in this estate is substituted for the original will for Federal probate purposes.

No claims were filed against the estate.

NOW, THEREFORE, By virtue of the power and authority vested in the Secretary of the Interior under section 1 of the Act of June 25, 1910, as amended, 25 U.S.C. § 372 and 373, and other applicable statutes, and pursuant to 43 C.F.R. Part 4, and the findings and conclusions herein, **IT IS HEREBY ORDERED** that the last will and testament of Laura Annette Seeton, dated June 23, 1959 be, and same is approved. The Director or other officer in charge shall cause a distribution to be made of the Indian trust/restricted property owned by decedent at the time of death, both real and personal, including any income accrued after decedent's death, in accordance with the said last will and testament, as follows: one dollar to Andrea Lee Soffiotto, daughter of Leland McDaniel, predeceased grandson; one dollar to the Estate of Ruby C. Rook, granddaughter; the residue of decedent's estate to the Estate of Eva Patterson, daughter and Lottie Chase aka Charlotte Chase, daughter, share and share alike, an undivided 1/2 interest each.

This decision is final for the Department unless a petition for rehearing is timely filed in accordance with 43 C.F.R. § 4.241 within 60 days from the date hereof as set forth in the notice attached hereto.

IN THE MATTER OF THE ESTATE OF) PROBATE NO. P-00001-6812-IP
)
EFFIE GEORGINE HANSEN,) ORDER APPROVING WILL AND
DECEASED) DECREE OF DISTRIBUTION
YUROK)
ID 562N002840)

This is a proceeding to determine heirs, approve or disapprove any wills naming beneficiaries, and to settle the Indian trust/restricted estate of EFFIE GEORGINE HANSEN, deceased. The Decedent held beneficial interests in trust properties of the United States; and the Department of Interior has jurisdiction over the probate administration of those assets.

Probate data was prepared by the Pacific Regional Office of the Bureau of Indian Affairs, located in Sacramento, California, and forwarded by the Director to the Office of Hearings and Appeals for a formal hearing.

Notice was given as required by law. A formal probate hearing was held on June 28, 2007 in Crescent City, California. At the hearing, evidence pertaining to the estate was received, including the Bureau of Indian Affairs' probate file.

The following interested parties appeared at the hearing: Andrea Soffiotto, David Patterson, Geraldine Safford, Bert Saffiotto, and Tony F. Luis, Sr.

The following findings and conclusions are based upon the evidence adduced:

The decedent was Effie Georgine Hansen aka Effie Georgine McDaniel, a Yurok Indian, ID Number 562N002840, Social Security Number [REDACTED]-6969A.

Decedent was born on April 18, 1896 and died a resident of the State of California, on December 16, 1948, having attained the age of seventy-two.

Assets. The Bureau of Indian Affairs reported decedent had no funds in an Individual Indian Money Account at the time of death and none at the time of submission to this office for probate. The decedent's estate inherited a 1/5 interest in the Estate of Laura Annette Seeton, who was a plaintiff in the class action, Jessie Short, et al -v- the United States of America, Declaration Number 2712 and it has been determined that such interests will be

probated through the Federal forum pursuant to 43 C.F.R. Part 4, Subpart D. The Estate of Laura Annette Seeton has been probated and The Order Determining Heirs and Decree of Distribution is attached and incorporated herein by reference. The Jessie Short funds as well as the Equal Access Judgment Award and any other property inherited from the Estate of Laura Annette Seeton shall be distributed to the heirs of the Estate of Effie Georgine Hansen aka Effie Georgine McDaniel as provided in this order.

The judgments of deceased Jessie Short plaintiffs are distributed to heirs by checks issued by Citibank on a trust account under the control of the U.S. Court of Federal Claims (the Court) that awarded the judgments. No check can be issued by Citibank until it has received from the Court an order specifically authorizing that distribution.

For the assistance of the Court, the law firm of **Faulkner, Sheehan & Wunsch, 351 California Street, No. 830, San Francisco, CA 94104**, prepares Distribution Schedules showing the calculation of the amount due each heir and the heir's Social Security number and confirmed current address. To facilitate the preparation of these Schedules, **each heir identified in this decision should send a letter to the law firm of Faulkner, Sheehan & Wunsch, stating birth date, Social Security number, telephone number and the address where the heir will be available to provide proof of identity to receive a check sent by restricted certified mail.**

These distribution schedules are not prepared until after the expiration of the 60-day period to file a request for de novo review of this decision. Before the schedules are considered by the Court, they must be approved by the Government's Indian Trust Accounting Division and the Department of Justice. Consequently, sometimes it may be as long as eight months after the date of this decision, assuming no request for de novo review is filed, before the checks are mailed by Citibank to the heirs.

Heirs. The decedent was survived by heirs at law whose respective names, relationship to decedent, birth dates, tribal affiliation and interests in the estate as determined by statutes of intestate succession of the State of California, § 225, would be as follows, had there been no will:

NAME	RELATIONSHIP	DOB	TRIBE/ID	SHARE
Estate of Eva Patterson	sister	████-1902	562N001705	1/4
Charlotte Chase	sister	████-1904	562U001277	1/4
Estate of Ruby C. Rook	niece	████-1914	562N000987	1/4
Andrea Lee Soffiotto	great niece	████-1947	562N003412	1/4

Decedent has three siblings who predeceased her: Frank, McDaniel, Phoebe Fox and Betsy McDaniel, who died as a child. Frank McDaniel left one son, Leland F. McDaniel, who predeceased the decedent, leaving a daughter, Andrea Lee Soffiotto. Phoebe Fox predeceased the decedent leaving one daughter, Ruby C. Rook.

Will. The decedent died leaving a Last Will and Testament executed October 2, 1959 and a Codicil executed April 28, 1960. The evidence establishes that the will was properly made and executed and that Effie Georgine Hansen possessed testamentary capacity and was free of undue influence. Based on all the evidence received and the absence of objection, this instrument dated October 2, 1959 is accepted and approved as decedent's Last Will and Testament and an instrument dated April 28, 1960 is accepted and approved as a Codicil to her last will and testament. By the terms of the will and codicil, the decedent devised the residue of her Indian trust estate to Eva Patterson and Lottie Chase, share and share alike or to the survivor of them. Both Eva Pattersen and Lottie Chase survived the decedent. Eva Patterson subsequently died May 3, 1973, several years after the decedent. The devise to Eva Patterson is inherited by the Estate of Eva Patterson. The Indian trust estate is inherited by the Estate of Eva Patterson and Lottie Chase aka Charlotte Chase, an undivided 1/2 interest each.

A certified copy of the last will and testament filed in this estate is substituted for the original will for Federal probate purposes.

No claims were filed against the estate.

NOW, THEREFORE, By virtue of the power and authority vested in the Secretary of the Interior under section 1 of the Act of June 25, 1910, as amended, 25 U.S.C. § 372 and 373, and other applicable statutes, and pursuant to 43 C.F.R. Part 4, and the findings and conclusions herein, **IT IS HEREBY ORDERED** that the last will and testament of Effie Georgine Hansen, dated October 2, 1959 and a Codicil dated April 28, 1960 be, and same are approved. The Director or other officer in charge shall cause a distribution to be made of the Indian trust/restricted property owned by decedent at the time of death, both real and personal, including any income accrued after decedent's death, in accordance with the said last will and testament, as follows: to the Estate of Eva Patterson and Lottie Chase aka Charlotte Chase, an undivided 1/2 interest each.

This decision is final for the Department unless a petition for rehearing is timely filed in accordance with 43 C.F.R. § 4.241 within 60 days from the date hereof as set forth in the notice attached hereto.

(i) Be under oath; and

(ii) State specifically and concisely the grounds on which it is based.

(2) If the petition is based on newly-discovered evidence, it must:

(i) Be accompanied by affidavits or declarations of witnesses stating fully what the new testimony is to be; and

(ii) State justifiable reasons for the failure to discover and present that evidence, tendered as new, at the formal hearings held before the issuance of the decision.

(3) Reconsider, with or without a hearing as he or she may determine, the issues raised in the petition; he or she may adhere to the former decision, modify or vacate it, or make such further order as is warranted.

(f) Successive petitions for rehearing are not permitted, and except for the issuance of necessary orders nunc pro tunc to correct clerical errors in the decision, the jurisdiction of the administrative law judge or Indian probate judge terminates upon the issuance of a decision finally disposing of a petition for rehearing. Nothing herein prevents the Board from remanding a case for further hearing or rehearing after appeal.

(g) At the time the final decision is entered following the filing of a petition for rehearing, the administrative law judge or Indian probate judge must direct a notice of such action with a copy of the decision to the Superintendent and to the interested parties and must mail the same by regular mail to the said parties at their addresses of record.

(h) No distribution may be made under such order for a period of 75 days following the mailing of a notice of decision pending the filing of a notice of appeal by an aggrieved party as provided in this subpart.

ORDER DETERMINING HEIRS AND
DECREE OF DISTRIBUTION

On August 31, 2007 a hearing was held in Las Vegas, Nevada to determine the heirs and settle the estate of Harold Eugene Stewart, Jr., a deceased Yurok Indian.

The following findings of fact and conclusions of law are based upon the evidence adduced at the hearing:

The decedent, a resident of the State of California, died intestate on [redacted] 1984 at Blue Creek, Kalamath, California.

At death the decedent was a plaintiff in the class action, Jesse Short, et al -v- the United States of America, (Declaration # 2873) and it has been determined that such interests will be probated through the Federal forum pursuant to 43 CFR Part 4, Subpart D. The decedent was survived by certain persons whose respective names, relationships, birth dates and interest in the estate as determined by the probate code of the State of California at section 6402(b) are as follows:

Rose Cleone Johnson, mother, 562N002381, born [redacted] 1919, all of the estate.

The judgments of deceased Jesse Short plaintiffs are distributed to the heirs by checks issued by Citibank on a trust account under the control of the U.S. Court of Federal Claims (the Court) that awarded the judgments. No check can be issued by Citibank until it has received from the Court an order specifically authorizing that distribution.

For the assistance of the Court, the law firm of Faulkner, Sheehan & Wunsch, 131 California Street, San Francisco, California, 94104, prepares Distribution Schedules showing the calculation of the amount due each heir and the heir's Social Security number and confirmed current address. To facilitate the preparation of these Schedules, the heir identified in this decision should send a letter to this law firm stating birth date, Social Security number, telephone number and the address where the heir will be available to provide proof of identity to receive a check sent by restricted certified mail.

These distributions schedules are not prepared until after the expiration of the 60-day period to file a request for rehearing of this decision. Before the schedules are considered by the Court, they must be approved by the Government's Indian Trust Accounting Division and the Department of Justice. Consequently, sometimes it be as long as eight months after the date of this decision, assuming no request for rehearing is filed, before the check is mailed by Citibank to the heir.

The decedent had two natural children, namely Corrie Gwen Walton and Harold Eugene Stewart, Jr. who were adopted to their step father, Jerry DeWayne Boyd in the District Court of Humboldt County, California in 1970 some 14 years before decedent's death. Whether or not his children participate in the distribution of his estate is governed by the law of the State of California at the time of the adoption. The pertinent law is found in the California probate code at 63.7 Part III section 257 which states as follows:

An adopted child shall be deemed a descendant of one who has adopted him, the same as a natural child, for all purposes of succession by, from or through the adopting parent the same as a natural parent. An adopted child does not succeed to the estate of a natural parent when the relationship between them has been severed by adoption, nor does such natural parent succeed to the estate of such adopted child, nor does the adopted child succeed to estate of a relative of the natural parent, nor does any relative of the natural parent succeed to the estate of an adopted child.

This law was changed by section 6451 of the California Probate Code to allow for inheritance by an adopted child when the adoption met certain criteria, the adoption by a step parent being ~~an exception to the above provisions~~. The provisions of the new law applied only in situations where the death of the natural parent was after January 1, 1985; the former law, as quoted above, applied to situations where the natural parent died before that date. See Newman v Wells Fargo, 926 P2nd 969 (1996); and see California Probate Code section 6414, Application of this Part, which states:

- (a) Except as provided in subdivision (b), this part does not apply where the decedent died before January 1, 1985, and the law applicable prior to January 1, 1985, continues to apply where the decedent died before January 1, 1985.
- (b) Section 6412 applies whether the decedent died before, on, or after January 1, 1985. (This section deals with dower and curtesy provisions only and not the issue before this forum.)
- (c) Where any of the following provisions is applied in a case where the decedent died before January 1, 1985, any reference in that provision to this part shall be deemed to be a reference to former Division 2 (commencing with Section 200) which was repealed by Section 19 of Chapter 842 of the Statutes of 1983:

No claims were filed against the estate.
